

APPLICATION PROCESS FOR INTERNATIONAL STUDENTS

1. Partner universities nominate students who wish to come to Amiens School of Management.
2. Either we receive your nomination and contact you directly in order for you to complete the application and accommodation form or your school will send your application form directly to us.
3. Once we have received your application form with 2 photos, a CV and school transcripts of your grades, we will send you the letter of acceptance to Amiens School of Management. You can now organize your visa (if necessary) and arrange your transport to Amiens.
4. When you sent your application form, you probably also sent us your accommodation form. If you have asked us, we will organize your accommodation and will contact you with details. This can take some time so please be patient.
5. Although you can choose your courses before you arrive, the updated course catalogue is only available in August of each year. You will make your final choices on your arrival in Amiens when you sign your learning agreement.
6. Once you have organized your transport to Amiens, you should contact the International Department with precise details so someone can come to meet you when you arrive and show you to your accommodation. Do not arrive at the weekend as the school is closed.

We look forward to seeing you at Amiens School of Management!
